AKIA is a combination of US National, Canadian National & Brazilian National Champion Stallion VITORIO TO with Janów Podlaski's finest damlines of ANGOLA & PIEWICA.

Maternally AKIA traces to family foundress ANGOLA, Masters Open Reserve Champion & Polish National Senior Champion Mare. AKIA's grandam ANDALUZJA was sold at the 2011 Pride of Poland Sale for 100 thousand Euro to Saudi Arabia. Before leaving she produced ANILLA (dam of Prague InterCup & European Cup Junior Champion AXARA) and Polish National Junior & Senior Champion Stallion ALERT. Other distinguished relatives of this line include Gieboldehausen Reserve Champion Mare ANGLIA, Mooslargue Reserve Champion & Balen Senior Champion Mare ANTWERPIA, twice Polish National Senior Reserve Champion Stallion ANGOR, Junior Spring Show Champion/Best in Show, Polish National Junior Champion, Warsaw Summer Show Senior Reserve Champion Mare ANEGDOTA & Junior Spring Show Yearling Silver Champion Stallion ANKOR.

The link to PIEWICA (foundress of the famous P-line) is through AKIA's maternal sire, PIRUET: a capable athlete at the track over 3 seasons and 5 wins, an exemplary show horse (French National Champion, twice Italian National Champion, thrice European Champion and twice World Champion Stallion) and valuable breeding stallion, siring both show performers and endurance horses. PIRUET's dam PIECZĘĆ (PIEWICA's granddaughter), a remarkable race mare and winner of almost half of her starts (including the Oaks), was further a full sister to the ethereal PILARKA, Polish National Reserve Champion, twice European Champion, twice World Champion & UK National Champion Mare, the direct female ancestor of the huge show names of today: PIANISSIMA, PINGA, PALMETA, PILAR, PIAFF, PINIATA, PRIMERA, PINTA, PROMETIDA, PARIS.

BREEDING STATUS:

CHERONEA is a bronze finalist from Poland's toughest competition - the Polish National Senior Mares Championship. She is sired by World Champion QR MARC, son of triple World Champion MARWAN AL SHAQAB. QR MARC proved even better in the breeding barn, siring (among others) US Triple Crown winner POGROM, US Triple Crown winner WIEŻA MOCY and EQUATOR - winner in America, Europe and the Middle East as World Champion Stallion, Scottsdale Champion Stallion, Arabian Breeders World Cup Champion Stallion & Sharjah International Champion Stallion.

CHERONEA's dam is CHIMERA, daughter of Michałów's beloved EMIGRANT. Apart from CHERONEA, CHIMERA's accomplished produce include daughter CHARUNA (French National Junior Reserve Champion Mare & French National Senior Champion Mare, dam of French National Junior Silver Champion CHADINA DE NAUTIC) and chief sire CHIMERYK - a fabulously masculine stallion and a tremendous mover, crowned Junior Spring Show Champion Stallion, Polish National Junior Top Five Stallion & Autumn Show Junior Top Five Stallion. CHERONEA herself is continuing the family tradition of showy horses with daughter CHEROJA, a class top five finalist from the Junior Spring Show in Białka in 2017.

Tail female CHERONEA traces to CANARIA, dam of one of Poland's legendary chief sires, CELEBES (sire of such great broodmatrons as EKSTAZA, MITRA, ELEWACJA, ALGERIA and chief sires ALOES, PEPI & ALGOMEJ). Interestingly CANARIA is the daughter of SAGA, making her a maternal sister to ESTOKADA, foundress of Michałów's widespread "E" dynasty of show champions.

GALERIDA is a mare that needs no introduction. She is a multichampion from arenas in both Europe and the Middle East and is the reigning 2018 Polish National Senior Champion Mare & Best in Show, with plenty of wins waiting in the future.

GALERIDA has a royal pedigree: she is the daughter of the highly decorated SHANGHAI EA sired by "champion maker" WH JUSTICE and World Senior Champion Mare & Polish National Senior Champion Mare GALILEA. A perfect embodiment of the Arabian mare, GALILEA is the best produce of the dam GEORGIA, one of Michałow's elite group of MONOGRAMM daughters - alongside ZAGROBLA, ESKALOPKA, PALESTYNA, ESPADRILLA, FALLADA & EKSCELLA - that set a new breed standard.

Furthermore, GEORGIA is one of seven extraordinary sisters out of the "bold and beautiful" GIZELA, who excelled both on the show arena (winning a class at the Salon du Cheval) and the race track (a five time winner, including the Amurath & Orgia St.), traits that the Polish breeding program is famous for. GEORGIA's accomplished sisters include 7-time race winner (including 5 stakes) GENEZA, Polish National Reserve Champion Mare & Oaks St. winner GARONNA, Polish National Senior Champion Mare GASKONIA, Pride of Poland high-seller GEHENNA and top broodmares GWARANCJA & GIZA. They have further contributed to the breed by producing excellent race horses (Derby winners GEPARD & GWARO), supreme show champions (GIOCONDA, GASKOŃCZYK, GALLIA, GOTICO, GIZELDA, GARDENS, GEORGETOWN, GEMELLIA, GORDON, GERMANIK) and three Polish National Champion Stallions: GANGES, GASPAR & GRAFIK.

PRIMERA is every inch a show mare that knows how to bewitch judges in the arena. She holds titles from shows in Poland, Sweden, Germany, as well as the European and World Championships. She descends from Janów Podlaski's finest damline of PIEWICA via its most famous branch of PILARKA & daughter PIPI.

PRIMERA's dam PRERIA is a daughter of the peerless PIPI. Named Polish National Senior Champion and Elran Cup Senior Champion Mare, PIPI's true value lay in her producing abilities. She is the dam of 15 foals, many of which went on to achieve greatness on both the show arena and the breeding barn. PIPI's male produce include champion chief sires PILOT and PIAFF and champion daughters PISTACJA, PIKARDIA and PILAR. PIPI's daughters also inherited her producing abilities and have proven themselves as superb broodmares. Apart from PRERIA (dam of the 2019 Pride of Poland offer PRIMERA), PILICA also produced PALMETA (dam of multi champions PALATINO, PALABRA, PALATINA, PATRIA & PARIS) and PILAR, who delivered further champions in the shape of PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and World Platinum Champion PINGA, who has by now also produced Polish National Champion Mare & Best in Show PINIATA.

PIPI is considered the best daughter of the ethereal PILARKA, Polish, UK, European & World Champion, forever etched in history as the "flying beauty" for her phenomenal trot. PILARKA is also the direct predecessor of the legendary World Platinum Champion Mare PIANISSIMA.

EL GOTTA is a young filly with tremendous show potential. She debuted at the Junior Spring Show in Białka as a yearling, where she received 92,33 pts from the jury panel, including a 20 for type - a very high score, as the gold champion received 92,67. EL GOTTA earned her own first gold medal not long after - at the All-Polish Championships in Radom.

EL GOTTA is a daughter of EL MEDIARA, who once took second place in class at the Junior Spring Show right behind WIEŻA MOCY. EL MEDIARA is also a maternal sister to the highly acclaimed EL LARINERA - Al Khalediah European Arabian Horse Festival Yearling Silver Champion, European Yearling Top Five, Junior Spring Show Silver Champion & Polska Arabia Junior Bronze Champion Mare.

The dam of EL MEDIARA & EL LARINERA is the royally bred EL EMEERA. Not only is the daughter of the undefeated champion sire EKSTERN, but also the iconic EMANACJA - perhaps the most prominent member of Michałów's "E" dynasty of several generations of champions. Herself a double Polish National Champion, European Junior Champion, World Junior Reserve Champion & All Nations Cup Senior Champion Mare, she has further contributed to the breed with champion produce EMPIRYKA, ESPADRILLA, EMANDA (dam of World Platinum Champion EMANDORIA, in turn dam of champion sire EMERALD J), EMANOR and EMILDA, who set up her own clan of superstars - most notably EMBRA, EMMONA, EMMBLA, EL SAGHIRA, as well as three champion chief sires active in Polish breeding today: EMPIRE, EL OMARI & ERYKS.

PIANOVA is an absolutely once in a lifetime offer to acquire a piece of the ultimate Arabian perfection, as she is a daughter of the legendary PIANISSIMA, a model Arabian mare that set the breed standard which to this day remains beyond reach.

PIANISSIMA needs no introduction. She was the first ever mare awarded the prestigious World Platinum Champion title at the Salon du Cheval in Paris. An award that she earned like no other horse before. PIANISSIMA started her accomplished journey at the show in Białka, where almost all Polish Arabians began their career. Naturally she took home the Junior Champion Mare & Best in Show title. After that came the title of Polish National Junior Champion Mare & Best in Show and all three top titles of the European Triple Crown: the All Nations Cup, European & World Junior Champion Mare titles. Her looks were further confirmed in America, where she won the US National Junior Champion Mare honors.

As a senior PIANISSIMA repeated it all again: she won the Senior European Triple Crown and the Polish National Senior Mare & Best in Show title, as well as added two Champion Mare titles from shows of great significance in the Middle East: the Al Khalediah Arabian Horse Festival in Saudi Arabia and the Dubai International Arabian Horse Championships (DIAHC) in the United Arab Emirates.

Descending from the damline PIEWICA, known for many champions over eight generations such as (among others) PILARKA, PILAR, PILAROSA, PALMETA, PENICYLINA or PERFINKA, PIANISSIMA remains not only the most prominent member of her family, but the best Polish Arabian horse in history.

SHANSON F is a young show filly that already left her mark during her debut season by winning the silver medal at the prestigious A category Al Khalediah European Arabian Horse Festival at Nowe Wrońska. She is furthermore an incredibly rare offering as the daughter of NOFAL NK, a premier sire from the breeding program of Nofal Kahook Arabians in Jordan, who is bred to a limited amount of approved mares only each year. Even with a small amount of foals on the ground NOFAL NK has already made a name for himself as the sire of MIMI NK, an Inter Cup Yearling Gold Champion Mare and All Nations Cup Yearling Gold Champion Mare.

On the distaff side of the pedigree is Janów Podlaski's S-damline of SABDA, known for the athletic abilities of its members but also several very distinguished show horses, such as multi champion mare SEFORA, as well as SHANSON F's dam and granddam: SHILLA & SZANTA. SHILLA, a leading KAHIL AL SHAQAB daughter, is a Junior Bronze Champion Mare from the Inter Cup and Silver Junior Champion Mare from the European Cup in Prague. In turn SZANTA, also royally bred as the daughter of the incomparable EKSTERN, placed third in class at the European Championships as a yearling and won the title of Junior Reserve Champion at the International Championships in Vilhelmsborg as a two year old, making her one of the first and most accomplished Polish private-bred horses of that time.

EMANOLLA is the current Polish National Junior Champion Mare, which she earned thanks to a score of 93,33 pts, including a full set of top marks for movement. She has a very rich show career from her junior years and now - as a 4 year old - she will begin victories as a senior.

EMANOLLA is without any doubt the best daughter of her dam EMANDORIA, the greatest living show mare of Michałów Stud. EMANDORIA is truly an international champion, as she has won the most significant titles all over the world: in the US, Europe and the Middle East, including twice World Champion, thrice European Champion, twice All Nations Cup Champion, US National Champion, Arabian Horse Breeders Champion, Polish National Champion, as well as gold champion from Abu Dhabi, Sharjah & Dubai. In 2018 she was presented with the ultimate award - the Platinum World Champion Mare title. EMANDORIA is also a recipient of the WAHO Trophy for outstanding achievements of the Arabian breed.

It must also be mentioned that through EMANDORIA, EMANOLLA is a maternal sister to champion stallion and breeding sire EMERALD J, named among others as PSAIAHF Senior Gold Champion Stallion, Dubai International Senior Champion Stallion, Chantilly Senior Gold Champion Stallion. But more importantly EMERALD J is now a sire of importance, having fathered the likes of ADMIRAAL (World Yearling Gold Champion Stallion, Dubai International Yearling Gold Champion Stallion), GALLARDO J (Menton Junior Gold Champion Stallion, Sharjah International Junior Gold Champion Stallion, European Yearling Gold Champion Stallion) & MOUNIRA J (KAAHC Junior Gold Champion Mare, European Yearling Gold Champion Mare).

The highly decorated KALAHARI has been born on Polish soil, but she enjoys a truly international pedigree, proving that there are no boundaries when a breeder pursues his vision of excellence and beauty. Her genetic structure is built around the best Russian, Spanish and Egyptian bloodlines - the latter by means of her granddam KAHILA IV, a Straight Egyptian beauty with a multiple linebreeding to NAZEER, an exemplary stallion who redefined the Arabian type and became the most epoch-changing sire of his time. The damline traces directly to the El Zahraa-bred mare HANIA, one of the elite broodmares of Egypt's State Stud.

The dam of KALAHARI, KASHIRA, is a successful show competitor herself, being named Casino Cup Junior Champion in Austria, International Drammen Junior Champion in Norway, International St. Petersburg Cup Senior Champion in Russia. KASHIRA has also been a regular class top five finalist from Ströhen, Wels, Blommeröd, Halden, Prague, the Polish Nationals and the All Nations Cup, where in 2010 she proved superior to none other than the stellar PINGA herself. KASHIRA is known for her dynamic trot, a trait which has consistently given her top marks at various events.

Contributing to KALAHARI's looks on the spear side is AJMAN MONISCIONE, son of "maker of champions" WH JUSTICE. AJMAN MONISCIONE more than confirms this nickname, as he has catapulted to stardom by becoming Ströhen Junior Champion, "Best Head" winner at the Salon du Cheval, twice European Junior Reserve Champion, All Nations Cup Junior Champion, Menton International Junior Champion and St. Tropez Senior Gold Champion Stallion.

POTENTILLA is not only an accomplished show mare, she also has a royal pedigree made up of Poland's most influential sires of their eras (EKSTERN, EUKALIPTUS) and Janów Podlaski's most famous champion damline of PIEWICA through the best known branch via PILARKA.

POTENTILLA's dam PANONIA is a numerous class top five from various Polish shows, but mostly a stellar producer. Apart from POTENTILLA she has also given birth to PROMETIDA - Junior Spring Show Yearling Silver Champion Mare. PANONIA's stellar producing abilities are the gifts of her regal dam PILAR, one of the leading continuers of the "P" line family of PIEWICA. A Polish National Junior Champion, PILAR ultimately bloomed in the breeding barn, producing a host of champion-winning offspring: PINGA, PINTA, PIETA, PIBA, PIZARRO & PILAROSA. On the rare opportunities that PILAR and her daughters were offered at the Pride of Poland Auctions, they have all gone on to become the highest-selling equines of their sales: PINTA at 500 thousand, PIETA at 300 thousand and PILAR herself at 240 thousand.

PILAR is by far the best daughter of the beloved broodmatron PIPI, Polish National & Elran Cup Champion, whose breeding accomplishments also greatly surpassed her show achievements. Throughout her lifetime she produced champion chief sires PILOT & PIAFF, champion daughters PYTIA, PISTACJA, PIKARDIA, and superb dams, who have gone on to prolong this incredible heritage: PILICA (dam of PALMETA), PILINA (dam of PILIN PSYCHE & PIBER), PRERIA (dam of PRIMERA) and PIPI's flagship offspring PILAR.

ADELITA is an extremely experienced show horse from the Janów Podlaski family of the cherished ALGERIA. ADELITA's most important titles include the European Junior Gold Champion Mare and just last year the All-Polish Senior Silver Champion Mare from a new show in Radom.

ADELITA is a maternal sister to another seasoned show mare, ANAWERA (Junior Spring Show Gold Champion Mare, Polska-Arabia Senior Silver Champion Mare, Polish National Senior Top Five Mare), chief sire standing at Janów Podlaski Stud, AMANITO (Autumn Show Junior Champion Stallion, Junior Spring Show Top Five Stallion, Polish National Junior Top Five Stallion) and ABDANK (Polish Nationals class winner).

ADELITA and her siblings are out of Janów's well-respected broodmare ALTAMIRA. This incredible "King of the Ring" EKSTERN daughter claimed the highest score of all presented yearlings (93,33 pts) upon her debut at Białka and took home the title of Reserve Champion. She continued this trend as a senior, when was awarded with 93,67 pts at the Polish Nationals. She was one of the bright stars of the 2015 Pride of Poland Sale and sold for 250 thousand euro.

ALTAMIRA is out of ALTONA, one of the stellar set of daughters of the beloved Kuhailan mare ALBIGOWA. ALTONA's prized sisters are none other than ALIARA (granddam of ALMANZOR & ARMANDA), ALBONA (granddam of ALBANO & ALEGRA), AMRA (granddam of AMARENA & ADYGA) and ALHAMBRA - grandam of recent Janów Podlaski sensation AL JAZEERA.

AMARENA is one of the valuable members of the family of the cherished ALGERIA with show experience that resulted in two championship titles. She is a maternal sister to ADYGA, a European Cup Junior Champion Mare from Prague, an Inter Cup Junior Champion Mare also from Prague and a Junior Bronze Champion Mare from the Al Khalediah European Arabian Horse Show at Nowe Wrońska.

AMARENA's & ADYGA's dam, AMIGA, is one of those classic Arabian mares that bloom with age. At the age of 9 she gave a splendid performance at the Polish Nationals in the demanding senior mares' category, earning 93,33 pts (!), with top marks for head and movement. Not surprising, considering she's the best produce of Polish National Champion & Best in Show AMRA.

In turn AMRA belongs to a splendid group of elite daughters of ALBIGOWA, the finest and most look-alike produce of legendary Polish National Champion Mare ALGERIA and foundress of Janów's renown A-line. AMRA's siblings include ALHAMBRA, ALTONA, ALBANA & ALIARA, who further contributed to the breed with such show stars as ALMANZOR, ARMANDA, ALBANO, ALEGRA, ALTAMIRA, ALABAMA, ATMA, AMANITO, ANAWERA, ADELITA, ATANDA & AL JAZEERA.

On the spear side we find OM EL BELLISSIMO, a result of the famous program of Om El Arab, the creator of SANADIK EL SHAKLAN - a World Junior Champion, Egyptian Event Supreme Champion, Scottsdale Top Ten Stallion and one of the most respected sires in the world, to whom OM EL BELLISSIMO is linebred through both sire and dam.

HERGETIA is a daughter of the unforgettable ESPARTO, the successor to the extraordinary EKSTERN. After collecting a slew of prestigious titles from the arenas of Europe and the Middle East, ESPARTO took to stud duties in Poland beginning with Białka, delivering some of the best horses in the youngest stud's history, as seen in EGEMA, PERON, PERNAL, CLARISSIMA, EGIRIA, and PERFINKA - Polish National Junior Reserve Champion, Tulip Cup Junior Champion, UK International Junior Champion, All Nations Cup Junior Champion, European Junior Silver Champion, World Junior Silver Champion, Prince Sultan bin Abdulaziz International Arabian Horse Festival Junior Champion, Qatar International Arabian Horse Show Junior Silver Champion Mare & 2019 Arabian Breeders World Cup Senior Gold Champion Mare. Unfortunately ESPARTO untimely passed away, making his get even more valuable.

HERGETIA's dam is Junior Spring Show and Janów Podlaski class top five finalist HERMIONA, daughter of HERCA - herself a class top five from the show in Bełżyce and second in class (with 91 pts!) from the Warsaw Summer Show - who in turn is out of Białka's regally bred HEROLDIA. A class winner of the senior mares class at the Polish Nationals, HEROLDIA easily ranks as a premier daughter of EUKALIPTUS, a name known to all connoisseurs of the Polish Arabian. Other highly accomplished family members include European, Polish National, Swedish National Champion Stallion HARACZ, Gieboldehausen Champion Mare HABENDA, Polish National Champion Stallion and superb racehorse HARBIN, All Scandinavian Reserve Champion Mare HULANKA, US Regional Champion Stallion HUN.

GRACIOSA is first and foremost an exemplary daughter of 2018 World Platinum Champion Stallion KAHIL AL SHAQAB, a grandson of World Platinum Champion Stallion GAZAL AL SHAQAB through his son MARWAN AL SHAQAB (World Champion Stallion, but definitely awaiting in line for the Platinum as well). KAHIL AL SHAQAB stood at the Polish studs in 2012-2013 and his first crops literally blew the show scene away. In a short period KAHIL AL SHAQAB has established himself as a sire with the golden touch with the likes of MORION, PARIS, BAMBINA, AL JAZEERA or PUSTYNIA KAHILA, making his get very sought after.

Tail female GRACIOSA has several females of Swedish origin in her damline, but she actually descends from the Janów Podlaski-bred ELEONORA. Born at the end of World War II, ELEONORA did much to restore the breeding of Arabian horses in Poland after the peace treaties were signed. She is the dam of EXELSJOR (grandsire to PROBAT) and a protoplast of a slew of successful stallions as ENOS, ENGANO, ELEUZIS, ELKIN, ELEM, ELEGION, ELGON, ELBING, EL BAK, EL AZEM. GRACIOSA's dam GRATITUDA, bred by the late Britta Fahlgren, was gifted to Janów Podlaski to rebuild and preserve the rare damline of Cherifa d.b. Furthermore GRATITUDA's sire - European Junior, All Nations Cup Junior, French National Senior & German National Senior Champion NADIR I - carries a triple linebreeding to ASWAN, making GRACIOSA a true genetic wonder.

ALSARA is a maternal sister to 2019 Asharqia Arabian Horse Classic Yearling Champion Stallion ARKAN BHM through their Junior Spring Show Top Five Mare dam ALEGRA. In turn ALEGRA is a sister to Polish National Junior & Senior Champion, as well as multi Scandinavian champion ALBANO.

ALSARA stems from the iconic "million dollar mare" & Polish National Senior Champion ALGERIA, a name synonymous for the classic Janów-bred Kuhailan, through her best daughter ALBIGOWA. ALBIGOWA lived up to the heritage of her famous dam as the progenitor of (so far) three generations of champion winners, huge industry names of AMRA, ALHAMBRA, ALTAMIRA, ALABAMA, ATMA, ALMANZOR, ARMANDA, AMANITO, ANAWERA, ADELITA, ATANDA, AMARENA, ADYGA and the most recent family show sensation - AL JAZEERA. ALBIGOWA's descendants are highly prized in the eyes of breeders worldwide, proof of which are the amounts that they have sold for at past Pride of Poland Sales: AMRA - 340 thousand euro, ALTONA - 180 thousand, ALABAMA - 165 thousand, ALHAMBRA - 140 thousand, ADYGA - 130 thousand and ALTAMIRA - 250 thousand.

ALSARA benefits from two great sires: World Platinum Champion Stallion KAHIL AL SHAQAB and the Michałów-bred GANGES. The "bold and beautiful" GANGES represents the very core of the Polish breeding program as a victorious race horse (winner of the Koheilan I St.) and show star, wielding the titles of Blommeröd International Senior Champion/Best in Show, Polish National Senior Champion, All Nations Cup Senior Reserve Champion, Columbus Senior Champion & US National Senior Reserve Champion.

BERNADETTA is a show experienced mare with a gold champion title to her name. She comes from a showy family: her sister BERENIKA is a Senior Bronze Champion from Ströhen, an Inter Cup Senior Bronze Champion from Prague and a European Cup Senior Silver Champion from Prague, while another sister BALLENA is an International Junior Silver Champion from St. Petersburg.

The sisters' dam BELGICA remains one of Janów Podlaski's leading GAZAL AL SHAQAB beauties. This Bełżyce Junior Reserve Champion, Polish National Senior Top Five and Janów Podlaski Autumn Show Senior Champion/Best in Show changed owners during the 2013 Pride of Poland for 410 thousand Euro, an amount which clearly attests to her quality.

BERNADETTA traces directly to the iconic BANDOLA, affectionately called the "Queen of Poland" and dam of the most influential post-war sire in the country, BANDOS & UK National Champion Stallion BANAT. To add even more heritage to BERNADETTA's story it must be noted that her ancestress BANDOLA was a full sister to BASK - a numerous US National Champion, Legion of Merit honoree, said to have established a new standard of the breed in North America.

BERNADETTA is continuing the family tradition of showy horses by having already produced daughter BENONA (class winner at the Junior Spring Show in Białka and class top five finalist from the All-Polish Championships in Radom and the Polish Nationals) and son BEJRUT (a class top five finalist from the Junior Spring Show in Białka).

WIEŻA MARZEŃ (Tower of Dreams) is a splendid EKSTERN daughter from the venerable damline of WARMIA, but she will first and foremost be always known as the dam of the champion show mare WIEŻA MOCY.

WIEŻA MOCY is without any doubt Michałów's pride and joy. Her long list of accolades includes Polish National Junior Gold Champion Mare, European Junior Bronze Champion Mare, Junior Spring Show Gold Champion Mare & Best in Show, European Junior Gold Champion Mare, World Junior Gold Champion Mare, US Triple Crown Mare (Arabian Breeders World Cup Senior Gold Champion Mare, Arabian National Breeder Finals Senior Champion Mare, US National Champion Mare), Scottsdale Arabian Show Senior Champion Mare, World Senior Top Ten Mare & Al Khalediah European Arabian Horse Festival Senior Bronze Champion Mare.

By winning the US National Champion title WIEŻA MOCY repeated the feat of her great-granddam WIZJA, who claimed the very same honor 37 years earlier during her lease to Lasma Arabians. After returning to Poland WIZJA secured her legacy with daughter WIAŻMA, an exemplary specimen as Junior Spring Show Champion Mare and producer extraordinaire, source of the entire "Tower-named" collection of exquisite equines. WIAŻMA's two daughters, WIEŻA BABEL & WIEŻA WIATRÓW, have both won the Junior Spring Show and become Best in Show while there. The third daughter, our Pride of Poland offer WIEŻA MARZEŃ, continues the family tradition not just with WIEŻA MOCY, but also with show contenders WIEŻA MARC'A, WIEŻA BAJEK & WIEŻA CZARÓW.

BIRUNA is an exciting offer as a young mare from the B-line of BAJDARA, known in past years for the likes of BATYSKAF, BAKARAT and BAJA and now back in the spotlight thanks to BAROK and BIRUTA, BIRUNA's dam.

BIRUTA is one of the most prominent daughters of EKSTERN bred at Janów Podlaski Stud. She has been a numerous class Top Three & Five honoree from the Junior Spring Show in Białka, the Polish Nationals, the Autumn Show at Janów Podlaski and a Senior Reserve Champion Mare from the regional event in Mińce. Buyers recognized BIRUTA's value at the 2012 Pride of Poland Sale, when bidding for her reached 100 thousand euro. In 2013, under the banner of Halsdon Stud, she placed second at the International West Coast Cup in Koksijde and was named Best Moving Horse.

BARTA & BIRUTA's close relative is BAROK - the most recent sensation to stem from this family as Polish National Junior Bronze Champion, Junior Spring Show Silver Champion, Polish National Junior Champion, Polish National Senior Silver Champion, European Senior Top Five and Polish National Senior Top Five Stallion from 2016.

Other immediate family members include the "bold and beautiful" stallion BATYSKAF, who excelled as a show horse (Polish National Champion Stallion & Best in Show), athlete (Derby & Criterium St. winner and Racehorse of the Year) and sire of racing greats (multi stakes winners FIOLEK & MAJOR), UK Champion Mare BAJA, Middle Eastern champion BAKARAT & Polish National Endurance Champion BAJUS.

ELGORA is the dam of the highly accomplished youngster EMDRONA, named Junior Spring Show Yearling Silver Champion, Junior Spring Show Silver Champion & Polish National Junior Gold Champion Mare.

ELGORA's dam ELGINA, daughter of "King of the Ring" EKSTERN, is a class top five finalist from the Polish Nationals in the toughest competition of the senior mares. She is one of just two Polish-bred produce of Elran Cup Senior Champion EGNA. Despite numerous purchase offers Michałów was reluctant to let her go. She was finally offered at the inaugural Pride of Poland Sale in 2001, shining as the auction's main star and becoming its topmost seller at 120 thousand dollars. EGNA's only other daughter, the lovely EGEA, outdid her dam's price result and earned 160 thousand Euro for Michałów Stud when offered seven years later at the Pride of Poland 2008.

The reason for such amounts is the priceless gene pool carried by EGNA's dam, Polish National Senior Champion Mare EGZOTYKA, who also produced the highly accomplished EWAKUACJA (Swedish National Champion), ESKALOPKA (another Pride of Poland high-seller at 140 thousand Euro in 2004 and a multi international champion from Europe and the Middle East) & EGZONERA (also a champion from both Europe and the US).

In turn ELGORA's sire represents Janów's highly acclaimed P-damline of PIEWICA. POGANIN is not just a Polish National Senior Champion & European Senior Bronze Champion, but he has also written himself down in breeding history as the sire of European and Middle Eastern multichampion KABSZTAD.

ANDALA's genetic build is very unique: although it is made up of famous Polish damlines (such as worldwide fame PIEWICA & GAZELLA II), it is done through the more rare branches of these families.

ANDALA's sire is PIRUET - a descendant of Janów's renowned "P-line" of champions. An athletic horse that raced over 3 seasons (winning 5 times), he caught the eye of French breeders during his last year in training. PIRUET was not for sale, but the French party persisted and it paid off - PIRUET was a real star, winning numerous international shows and becoming French National Champion, twice Italian National Champion, thrice European Champion and twice World Champion Stallion. In the breeding barn he also proved very versatile, siring both show performers and endurance horses. PIRUET's dam PIECZĘĆ, an excellent race mare and winner of almost half of her starts (including the Oaks), was further a full sister to the ethereal champion PILARKA, the direct female ancestor of the huge show names of today: PIANISSIMA, PINGA, PALMETA, PILAR, PIAFF, PINIATA, PRIMERA, PINTA, PROMETIDA, PARIS.

On the distaff side ANDALA traces to family foundress ANGOLA, Masters Open Reserve Champion & Polish National Senior Champion Mare. ANDALA's dam ANDALUZJA, a lovely SANADIK EL SHAKLAN daughter and superb mover, known for her flying triot with a great suspension phase, is the dam of class top fivers AMULET & ANILLA (dam of Prague InterCup & European Cup Junior Champion AXARA) and Polish National Junior & Senior Champion Stallion ALERT.

EL SAFIJA is a youngster with an exceptionally unique pedigree - she is very closely linebred to PIANOSA, dam of the breed legend PIANISSIMA, through both her sire PALADID and maternal sire POLON. PIANOSA is best known for her most famous produce, but she herself has also been awarded on the show arena as Junior Spring Show Champion Mare & Best in Show, Polish National Senior Reserve Champion Mare & Falborek Senior Reserve Champion Mare. But of course her greatest accomplishment was daughter PIANISSIMA - a double Polish National Champion, a double European Triple Crown winner, as US National Champion, a DIAHC & AKAHF Champion Mare and ultimately World Platinum Champion Mare.

Maternally EL SAFIJA descends from ELFINA, a stunning black beauty and dam of ELIMA, EL FATHA & EFUZJA. The first, EL FATHA, has already produced two successful show contenders: Polish National Junior Champion Stallion EL AZEM and Junior Spring Show Yearling Silver Champion Stallion, Polish National Junior Top Five Stallion & Prague European Cup Junior Top Five Stallion EL PAIS. The second daughter, EFUZJA, is an Autumn Show Senior Champion Mare from Janów Podlaski.

All these lovely "E" ladies descend from family founder ELEONORA, a damline especially known for its superior sires, including champion stars ELKIN, ELEMI, ELEUZIS, ELEGION, ENGANO, ENOS, chief sires ERNAL, ELF, ELBRUS, EL BAK, the influential, utilized in Anglo-Arabian breeding sire ELSING & Swedish Champion EXELSJOR - sire of BOREXIA & EDJORA, dam of legendary sire PROBAT & granddam of the one and only GAZAL AL SHAQAB, respectively.

SHANGHAI EA is without all doubt one of the most talked about sires of today. This remarkable stallion was a nose away from being crowned European Triple Crown as a junior and senior, unfortunately having to settle on both occasions for "only" the Silver Medal at the World Championships. However in the nature of the Arabian horse he is becoming even more refined with age, which promises to give him the coveted title in the not so distant future. Yet it is not just show successes that have raised SHANGHAI to stardom, but even more so his siring abilities. Already his first crop delivered European Triple Crown Champion (All Nations Cup/European/World) EXCALIBUR EA, ZEUS EA and AJ KAFU. Combining the best bloodlines of the world - from the Tersk-bred PATRON, Straight Egyptian EL SHAKLAN & ANSATA SINAN and Spanish mare of significance ESTOPA, SHANGHAI offers a perfect genetic match for Polish damlines as well. His first Polish crops immediately resulted with GALERIDA, FUERTE, WILDONA, WINDORKA, MADRE SIERRA.

In FORELLA SHANGHAI's genes teamed up with the esteemed damline of the athletically gifted FORTA. Known for a plethora of stakes winner, the family's most famous members include stars of the show arena: Polish Junior & Senior Champion, European Champion & World Champion Stallion FAWOR and one of Michałów "Grand Three" champion MONOGRAMM daughters, FALLADA - double Junior Spring Show Champion/Best in Show, Polish National Junior Reserve Champion Mare, World Senior Reserve Champion, Polish National Senior Champion, Canadian National Senior Champion, US National Top Ten Mare.

ATRIA is a daughter of the late ESPARTO, the Middle Eastern and European multi-champion, considered the rightful heir to the "King of the Ring" EKSTERN. ESPARTO died prematurely, making his daughters extremely rare purchase opportunities.

ATRIA's dam ALTARA is a GAZAL AL SHAQAB daughter. She has proven herself as an excellent broodmare, having produced (beside ATRIA) ALSHIRA (Junior Spring Show and Inter Cup class top five finalist), AGORDAT (European Championship, Junior Spring Show, Polish National, Polska-Arabia Festival class top five finalist) and AMES JR (Polish National Junior Silver Champion Stallion and Al Khalediah European Arabian Horse Festival Yearling Silver Stallion).

ALTARA is a granddaughter of Polish National Senior Champion ALEJKA, dam of two accomplished stallions: triple Swedish National Senior Reserve Champion, triple Blommeröd International Reserve Champion and Vilhelmsborg Reserve Champion Stallion ALT & sports-oriented ALBUM. Maternally ALEJKA traces to ALEKSJA, a sister to Janów's legendary ALGERIA, affectionately called "the mare that lay golden eggs" due to her show champion produce. ALEKSJA's descendants, on the other hand, revealed more athletic abilities. This strain of the damline is known for their female stake winners, such as AL ADHA, ARYJKA, ABISYNIA, ARABELLA, ALBANIA, ALBERTINA, ALBINA, AL-ADA. The racing gene is not just a tune of the past, as the most recent stakes winner comes from 2017, with ALLADYN winning the Derby, Michałów St. twice, Figaro St., Janów Podlaski (Arabian Produce) St., Kabaret St. and Bask St.

CEJHYRA is a mare that represents the very core of the Polish breeding program, exuding Arabian type and stamina. Shown at the Polish Nationals in 2018 in the toughest category of the senior mares she placed in the top five of her class, exceeding the 90 point mark. Her daughter CERNIKE is a broodmare at their maternal stud and has already produced two promising foals.

CEJHYRA's sire is the Tersk-bred AVANGARD, who is of pure Polish lineage, stemming from the sire line of the Polish AMURATH SAHIB and the Polish damline of GAZELLA II, with a triple linebreeding to the Janów Podlaski-bred OFIR daughter MAMMONA. AVANGARD is best remembered for his outstanding wins in Liberty classes at the Falborek Show and Poznań International Show.

Through dam CESIA, CEJHYRA is a sibling to several athletically talented siblings. She is a full sister to CESIHUS (2nd in the Derby and 2nd in the Wielki Szlem St.) and maternal sister to CEKUR (winner of three races, including the Kabaret St. and second in the Sambor, Bask and again in the Kabaret St.), CEDUNIA (winner of three races, including the Europejczyk St.), CELINECZKA and CESIGROM (both winners of two races). Furthermore CELINECZKA has produced CERWING (winner of 5 races, including the Kabaret St. and 2nd in the Sambor St.), CELEBRYTA (winner of one race and 2nd in the Derby) and CESRA (winner of one race). CESIHUS is also the Polish National Endurance Champion over 120 km and together with CESIGROM they have successfully completed the 160 km endurance trials.

ESTONIA's pedigree is incredible in that it benefits from a four-time dose of the finest Janów Podlaski bloodline of PIEWICA, foundress of the world-renown "P-line", through sires PALATINO, PESAL, POGANIN & PILOT.

ESTONIA's sire PALATINO, a son of multi-champion PALMETA and direct descendant of PIEWICA through PIPI, is himself a Prague Intercup Senior Silver Champion, Polish National Senior Champion, All Nations Cup Senior Bronze Champion, European Senior Bronze Champion Stallion. PALATINO's sire PESAL, a second dose of PIEWICA blood, belongs to one of the most decorated stallions in Europe and remains the best male horse bred in the history of Białka Stud.

On the maternal side of ESTONIA's pedigree are POGANIN & PILOT. The highly acclaimed POGANIN (PIEWICA link number three) is a direct grandson of PESTKA, whose descendants have delivered as many as 9 chief sires (PERSEUSZ, PENTAGRAM, PEDAGOG, POLIGON, PRADO, PEGASUS, POGROM, POGANIN & PITAWAL). The fourth link to PIEWICA in ESTONIA comes via PILOT, Polish National & UK International Champion PILOT, son of the aforementioned PIPI.

ESTONIA's dam ESPARTA, an International Senior Silver Champion from St. Petersburg, is a direct descendant of ETNA, a favorite of the late Director Krzyształowicz. ETNA's produce include champion chief sires ETAN, ETIW, ETERNIT & ETAP and prized daughters - EQUITANA & ETRURIA. The latter, Polish National & World Champion, European Reserve Champion, as well as WAHO Trophy honoree, has further secured the legacy of her family with champion sires ETMAN, ECAHO, ETOGRAM, ESCULAP, ESPADERO & EKSPORT and South African multi achiever ERIA.

SOMARA benefits from two of the most recognizable sires of this era: QR MARC & WH JUSTICE. World Champion QR MARC is a son of triple World Champion, double US National Champion MARWAN AL SHAQAB & World Platinum Champion GAZAL AL SHAQAB, sire of significance and breed standard setter. SOMARA's maternal sire, WH JUSTICE, is nicknamed without much exaggeration as „the Champion Maker”. His get boast an incredible amount of titles from both European and Middle Eastern arenas, as seen in PANAREA BY PALAWAN, AJMAN MONISCIONE, BESS FA'IZAH, ABHA OPALINA, FM GLORIAA, JUWANDA OS and 2019 Qatar National Senior Champion Mare WASA, bred by Falborek Arabians of Poland, just like SOMARA.

SOMARA's dam SOTIKA placed third in class at the Junior Spring Show in Bialka and second at the Polish Nationals. SOTIKA is a maternal sister to Vilhelmsborg Junior Reserve Champion, Junior Spring Show class winner & Polish Nationals class top five finalist SZANTA and Junior Spring Show/Polish Nationals class top five honorees SPAŁA & SATENIA. SZANTA is also the dam of Junior Bronze Champion Mare from the Inter Cup and Silver Junior Champion Mare from the European Cup in Prague SHILLA and granddam of SHANSON F - Al Khalediah European Arabian Horse Festival Yearling Silver Champion Mare.

SOMARA traces to Janów Podlaski's famous "S" dynasty of accomplished racers, with the "S" deriving from the name of family founder SABELLINA, whose six successive generations of this family have won the Derby, Oaks or both, as well as other stake races, with many claiming the coveted Triple Crown.

PATTY can boast a double dose of PIEWICA blood through her Junior Spring Show & Polish National Top Five sire POMIAN (son of broodmare extraordinaire PILAR) and her P-damline. But what will really capture the interest of all Arabian enthusiasts is that PATTY is a direct granddaughter of the amazing PEPITA, who like wine is getting better with age - the older she gets, the more she accomplishes.

PEPITA began her rise to fame at the ripe age of nine in 2014. Her performance at the Polish Nationals earned her a total score of 94,5 pts (!), made up of a full set of top marks for type and likewise for head and neck, which brought her the coveted title of Polish National Senior Champion Mare & Best in Show. Next at the All Nations Cup in Aachen she won her class with another breathtaking score of 94,75 pts, again with a full set of top marks for type and movement plus an additional two for head and neck and a Senior Silver medal. The European Championships brought her another Senior Silver Champion title. No wonder that when offered at the 2015 Pride of Poland Sale PEPITA achieved the sale's highest price in history at 1.4 million euro. PEPITA was worth every euro cent, winning in 2017 the Elran Cup Senior Mare Championship and in 2019 the prestigious Sharjah International Senior Mare Championships and the Dubai International Arabian Horse Senior Mare Championships, adding three more golds to her collection.

EGETIA is a charming filly from Białka's E-line descending from the Michałów-bred EMKA, one of the foundation broodmares of Poland's youngest Arabian stud.

EGETIA's dam EGITA is a maternal sister to EGIRIA (Junior Spring Show Bronze Champion Mare) and EGEMA (Wrocław Summer Show Junior Champion Mare, Janów Podlaski Autumn Show Junior Champion Mare & Best in Show, Abu Zabi Junior Bronze Champion Mare, UAE National Junior Reserve Champion Mare). Other Białka-bred members of the family of EMKA include EKINA (Vilhelmsborg Junior Top Five), EMIKA (Warsaw Summer Show Junior Reserve Champion Mare, Polish National Junior Reserve Champion Mare, Warsaw Summer Show Senior Champion Mare & Best in Show, Janów Podlaski Autumn Show Senior Reserve Champion Mare), EMON (twice Tenerife Senior Champion Stallion) and endurance horse EMIMBOR (winner of the 100 km Sheikh Majid bin Mohammed Endurance Ride).

EMKA further originates from the damline of ELA, one of the founding broodmares of Michałów Stud, when it was still based in Klemensów. Her many successful descendants in Michałów include champions ESKADRA, chief sires ELDON and ESPARTERO, and the highly decorated mother-daughter group of EGZOTYKA, EGNA, ESKALOPKA & EGZONERA.

The damline of ELA is also very popular among the Polish private breeders, which have incorporated various mares into their breeding programs and resulted with superb offspring. The very latest include ELMARAN, ECHO AURORA, ECHO APOLLO, ECHO ADONIS, ECHO MARS, EL PIATZOLLA, EL SIENA, ESHILA, ELGAST, ESPEKT and most recently EUROGRANT OZ.

Bred to EMERALD J (US) (last service on 8th of May, 2019)

PRAGA is a young mare with plenty of show experience. Through her dam PERLA, she is the granddaughter of the mare PĘTLA - Janów Podlaski's leading producer of extremely valuable breeding horses, including several (!) chief sires. As a matter of fact Perla is actually a maternal sister to mega show star POGROM: Junior Spring Show Gold Champion Stallion & Best in Show, Polish National Junior Gold Champion Stallion, US Triple Crown winner (Scottsdale Arabian Show Senior Champion Stallion & Supreme Show Champion, Arabian Breeders World Cup Senior Gold Champion Stallion, US National Senior Champion Stallion) and ultimately Polish National Senior Champion Stallion, as well as the most coveted chief sire in Poland today.

PĘTLA's other male produce are significant even outside the Arabian horse community. Her other three sons: PENTAGRAM, POLIGON & PEDAGOG, have all been superb racing athletes and are readily utilized in sports-oriented breeding.

Interestingly, Pętlą is a granddaughter of PESTKA, a descendant of Janów's P-line of PIEWICA, who established her own subline famed for producing chief sires. In recent years as many as nine from this branch were active in Polish breeding (apart from those mentioned above this lot includes PITAWAL, POGANIN, PERSEUSZ, PEGASUS, PRADO).

The branch of PESTKA does not lack in headline-making females either. These include Polish National Gold Champion, All Nations Cup Silver Champion, European Silver Champion Mare, Sharjah International & Dubai International Arabian Horse Senior Champion Mare PEPITA, also the record-seller of the Pride of Poland Sales at 1.4 million euro and PAPAYA, PERNILA, PRUNELLA, PERSENA & POLIFONIA.

WŁODAWA is a young daughter of WOŁOGDA, one of the leading EKSTERN broodmares of Janów Podlaski Stud. EKSTERN is an undefeated show champion, but more importantly he has sired champions and broodmares which produce yet another generation of champions, such as PUSTYNIA KAHILA (out of PUSTYNNNA MALWA by Ekstern), MORION (out of MESALINA by Ekstern), EQUATOR (out of EKLIPTYKA by Ekstern) and WIEŻA MOCY (out of WIEŻA MARZEŃ by Ekstern).

True to this heritage, WOŁOGDA has already produced WIGA, a class top three finalist from the Junior Spring Show and the Polish National among tough competition, WOSTOK, a class top five finalist from the Polish Nationals and WAWER - a class top five finalist from the Junior Spring Show and All-Polish Championships.

WOŁOGDA herself is a double class winner from the Junior Spring Show in Białka and Autumn Show in Janów Podlaski, with a further two second class spots from the Junior Spring Show and the Polish Nationals and two third places at the Polish Nationals and European Championships. On these occasions WOŁOGDA was regularly awarded sets of solid "19s" and "20s" for type, head & neck and movement.

WOŁOGDA is definitely the best produce of WANILIA, a classically structured Kuhailan broodmare from the Kurozwęki breeding program. Her dam WIZYTA, an All Scandinavian Junior Champion, and granddam WIORSTA, a Gold Medalist and Reserve International Show Champion at an exhibition in Stockholm, a Reserve International Show Champion in Blommeröd, belonged to the elite broodmare band of Kurozwęki State Stud.

BREEDING STATUS:

WIZAWA is a stellar opportunity to acquire a daughter of reigning World Senior Champion Stallion EQUATOR. One of the trendiest breeding sires in Poland today, EQUATOR's collection of titles also includes Junior Spring Show Reserve Champion, Polish National Junior Bronze Champion, Junior Spring Show Champion, Polish National Junior Champion, All Nations Cup Junior Bronze Champion, European Junior Champion, World Junior Reserve Champion, Polish National Senior Champion, Al Khalediah European Arabian Horse Show Senior Champion, All Nations Cup Senior Bronze Champion, European Senior Champion, World Senior Bronze Champion, Scottsdale Gold Champion, Las Vegas Breeders Cup Gold Senior Champion, World Senior Silver Champion, Dubai Senior Silver Champion & Sharjah Senior Champion Stallion (to name but a few). Attesting to the strong genetic potential of his family is the fact that his dam EKLIPTYKA is a full sister to the late multi-champion ESPARTO, considered the successor of his sire EKSTERN.

On the distaff side WIZAWA can lay claim to the damline of WADERA through a rare branch via Polish National Senior Champion Mare WENERA, a maternal sister to WARMIA from whom descend such fames as WILEJKA, WIZJA and all "WIEŻA"-named equines, including WIEŻA MOCY. WENERA on the other hand contributed to the breed with chief sires WAGRAM & WERBUM, as well as Swedish National Senior Champion Mare WENEDA, UK International Senior Reserve Champion Mare WIOLETA, Italian National Senior Champion Mare WERNERA, Polish National Junior Reserve Champion Mare, Wessex Arabian Horse Show Senior Champion Mare WIPERA & Austrian International Yearling Bronze Champion Mare WESTURA.

PISTOLERO is an incredibly exciting offer as the son of two remarkable living legends in the Arabian breed today, both named World Platinum Champions: KAHIL AL SHAQAB & PINGA. PISTOLERO is also linebred to another World Platinum Champion: GAZAL AL SHAQAB, through both sire and dam.

KAHIL AL SHAQAB is the rightful heir to the legacy of the iconic GAZAL AL SHAQAB (also a Platinum World Champion) through his sire MARWAN AL SHAQAB. Both KAHIL & GAZAL have had tremendous results when crossed with Polish broodmares, easily setting a new breed standard with horses such as PIANISSIMA, EMANDORIA, BELGICA, EJRENE, ETNOLOGIA, NORMA or PINGA (by GAZAL) and PUSTYNIA KAHILA, AL JAZEERA, PROMETIDA, PARIS or PARMENIA (by KAHIL).

PINGA is currently one of the most prized mares in the world. Besides being Platinum, PINGA has also been named (among others) PSAIAHF Senior Champion, European Senior Champion, World Senior Champion, Scottsdale Senior Reserve Champion, Polish National Junior & Senior Champion and Best in Show on both of these occasions. Apart from PISTOLERO she has also produced PINIATA (Polish National Senior Champion Mare & Best in Show), PATERNA (Junior Spring Show Yearling Champion Mare, Polish National Junior Reserve Champion Mare) and PETULA (European Yearling Top Five Mare).

PINGA's dam PILAR, a Polish National Junior Champion and best producing daughter of the peerless PIPI, one of the most famous members of the P-line of PIEWICA, also contributed to the breed with the following show winners: PIETA, PINTA, PIZARRO, PILAROSA, PIBA & POMIAN.

Already his first 2016 crop included EMDRONA - the 2017 & 2018 Junior Spring Show Silver Champion Mare and Polish National Junior Gold Champion Mare. MEDALION is a maternal brother to MESALINA - dam of multi champion MORION.

Mare bred to MEDALION: S/18. EDITHA.
